

1.11 Registration Requirements

All player and volunteer (i.e. Coach / Trainer etc.) registrations must be completed using the MySideline online database.

Each registration should be accompanied by one of the three acceptable forms of identification. This identification should be noted in the player or volunteers online MySideline database record.

All registrations that require a clearance (where a player has played previously for another club) must be initiated before 30 June.

No new registrations will be accepted after 30 June, with the exception of players participating in non-competitive Rugby League matches

A registration will not be deemed complete until such time as the Junior League Administrator has supplied the club with an authorised player / volunteer identification.

Club Administrators, Committee Members and Directors should be reminded of the importance and legalities of having a parent / child's guardian sign off on the Terms and Conditions of registration. That is, a parent / guardian is the only person who can register their child to play Rugby League. This process should not be undertaken by a Club Administrator or a Club Representative on behalf of the child's parent or guardian.
